

## OSG Billing Services Announces Executive Appointments

**ENGLEWOOD, NJ – June 22, 2009** – OSG Billing Services, a leader in the presentment and distribution of transactional documents, today announced the promotions and expanded responsibilities of two key executives. The promotions are in line with the company's commitment to developing a strong and dynamic leadership team that will support the ongoing growth of the organization.

Ron Whaley has been appointed to a new C-level position at OSG Billing Services – Chief Revenue Officer (CRO). Previously, the vice president of sales and marketing, Whaley will now be spearheading the growth of the organization and focusing on leading the sales team while developing a more consultative approach to working with customers.

“As OSG Billing Services continues to grow and evolve, it was important that we formalize a leadership role to head up our revenue generating efforts,” said Hank Riner, chief executive officer of OSG Billing Services. “Ron has been a key member of this company for over ten years and his expertise is invaluable. We are pleased to have Ron in a role that allows him to focus on the growth of the company and oversee the sales and revenue strategy.”

Steven Dubner has been appointed to senior director of marketing and product development. Previously the director of strategic partnerships, Dubner will continue overseeing that area of responsibility as well as leading the company's marketing and product development efforts.

“Steve has done an incredible job of securing our software partnerships and helping OSG Billing Services build long-lasting and valuable relationships,” said Riner. “We are enthusiastic about Steve overseeing this newly formed division of OSG Billing Services and providing a focus to our products and offerings.”

### About OSG Billing Services

OSG Billing Services provides fast, accurate and dependable invoice presentment and distribution services. As a trusted partner, we advise customers on direct billing strategies to improve the overall quality of the invoice and increase customer satisfaction. With a proven-process for invoice design, set-up and production, we can get invoices into the consumers hands quickly and error-free. We guarantee it.

The services we offer include: invoice consultation and design, error-free print and mail, targeted marketing programs, an automated document factory, online invoice management and electronic billing.
